Mission: At Malcolm X, we strive to help our students succeed academically based on state standards. We will accomplish this through data-driven instruction and continuous assessments. We are committed to providing support through differentiated instruction, school-based initiatives, community partnerships, and parental involvement. Maintaining a safe and respectful environment that is conducive to learning will foster responsible citizenship and positive attitudes toward self, others, property, and academics.

Other important information: Math scores on the DC CAS jumped from 13.38% of students proficient to 31.40% from 2008 to 2009
